

## APPENDIX I

### ADDITIONAL COMMENTS OF THE CONSERVATION LAW FOUNDATION AND MASSPIRG

## Conservation Law Foundation

# MASSPIRG

Massachusetts Public  
Interest Research Group

Additional note regarding Appendix D by Taskforce Members Frank Gorke of MASSPIRG and Seth Kaplan of Conservation Law Foundation:

"It should be noted that the production of natural gas begins with drilling, an activity that causes a range of negative environmental impacts. Such impacts, and policy determinations regarding where such drilling is appropriate (e.g., the moratorium on drilling on George's Bank), must be considered and are not addressed in appendix D."
